

A VIRTUE LITERACY DIET

Spiritual Nutrition Labeling

The foundation of this
Virtue Literacy effort is the

VIRTUE WORKS BOOK & MEDIA COLLECTION:
an ever growing, volunteer generated, easy to navigate on-line list
of books, movies, TV series and more. The collection includes
both sacred/religious themed titles AND secular stories that shine
with virtue.

To be included in the list, the title must be wholly consistent with
CATHOLIC MORAL TEACHING.

Once selected, titles are given a “VIRTUE RATING”
(V-1, V-2, up to v-10) based on the number of virtues that shine
within the story.
