

BUILDING VIRTUE IN A PARISH

The Parish Virtue Building Media Club

Through the VIRTUE WORKS VBMC, each parish can offer access for individuals and families to easily find faith & virtue filled media for all ages to enjoy. Adults and children can grow in virtue side by side.

Parish VBMC events, activities and book clubs educate and motivate adults and children to choose virtue in entertainment and creates a **CULTURE OF VIRTUE** in the parish community.

EVANGELIZATION flows naturally as friends and family simply discuss a book or movie they enjoyed and the virtue that shined in it.

Parents and grandparents find **HOPE** as their children and grandchildren enjoy entertainment that affirms their Catholic faith.
