Synopsis:

Fans of Rick Riordan's Percy Jackson and the Olympians and Peter Lerangis's Seven Wonders series will enjoy Will Wilder. He's a mischievous, headstrong twelve-year-old with an otherworldly gift—he alone can see the nefarious creatures encroaching on Perilous Falls. For nearly a century, a sacred relic has protected his hometown from the raging waters surrounding it. But when Will "borrows" the relic for his own purposes, he accidentally unleashes an ancient evil. As boats sink and hideous creatures crawl from the rising waters, Will must set things right before it is too late. With the help of his sweet (if lethal) Great Aunt Lucille, the curator of a museum of powerful artifacts, Will proves that the actions of one twelve-year-old boy can change the world.

VIRTUE WORKS Commentary: Will Wilder is an engaging fun read that is not a religious story, but it has a Catholic heart. Mysterious surprises make this captivating good fun that hints at genuine spiritual realities.
