

# VIRTUE WORKS IN SCHOOL

*“When I read more of the virtue books, I notice better when I see the not good stuff in other books more.” ~ Peter, student at Holy Infant School*

The Virtue Building Media Club from VIRTUE WORKS offers pastors, principals, DREs, teachers and parents support in their vocations to raise children for holiness. As Parish school and PSR libraries simply add and identify VIRTUE WORKS recommended titles, the books/videos are designated as a “Virtue Building Resource” with a blue VBR STICKER.

The VBMC integrates with a Parish school and PSR through practical and enjoyable activities to ensure that faith and virtue filled media isn't just added to a library shelf, but everyone is **MOTIVATED** to enjoy it!

## *The VBMC enriches parish schools & PSR programs*

Making virtue the lens through which books and media are highlighted in a school library dramatically emphasizes a school's **CATHOLIC IDENTITY AND DISTINCTIVENESS**, thus adding compelling reasons for families to choose a Catholic school for their children.
