

Start the school year off with virtue as **EIGHTH GRADERS SET THE TONE** for the rest of the students in the parish school or PSR Program.

DRAMA, LEADERSHIP & VIRTUE

“VIRTUE MIMES GO INSIDE OUT” is the skit that, in ten minutes, shows how virtue

happens on the inside before it ever shows on the outside. This skit creates interest and excitement about the VBMC for children and motivates them to choose VBR titles themselves.

The self-discipline of silence and intentional gestures of mime internalizes virtue even for the virtue actors also.

Virtue Mimes bring VIRTUE alive

It’s a great addition to a school or PSR assembly to kick off any **VIRTUE BASED** discipline or character building program because faith and virtue filled media choices cultivate internal character and dispose hearts for constructive discipline.
